

**Note Regarding Non-Profit Member of Applicant Entity:**

In accordance with guidance from Ms. Kim Wilbourne, we have provided all necessary documentation under Tab 6 with regard to the non-profit affiliated member of this Applicant, with the exception of the non-profit material participation plan.

We have not provided a non-profit material participation plan because The Palms at Oak Street is not being submitted for consideration under the non-profit organization's set-aside and the non-profit member entity will not have a 51% ownership as required for the non-profit set aside.
