

## **CAHEC Properties Corporation – Vision and Mission Statement**

**Our Vision:** We envision maintaining a portfolio of sustainable communities, offering affordable housing and life-changing opportunities to each resident.

**Our Mission:** To foster preservation and ownership, of high-quality affordable housing, for the residents and communities we serve.

We are committed to fulfilling our mission by working with our agency and community partners to secure funding to preserve and improve affordable housing throughout our footprint, thereby fostering sustainable and environmentally friendly communities. CAHEC Properties Corporation is a nonprofit corporation that currently owns over 200 affordable housing properties and is continually seeking opportunities for community economic growth through the acquisition of existing housing in need of rehabilitation and recapitalization.
