PROMISSORY NOTE

FOR VALUE RECEIVED, the undersigned, **Lockhart Landing Limited Partnership**, a South Carolina limited partnership ("Maker"), promises to pay to the order of **South Creek Development, LLC**, a North Carolina limited liability company (the "Lender"), whose address is 6704 Fegan Road, Summerfield, NC 37358 or at such other place as Lender may specify, on or before the Maturity Date (hereinafter defined), the principal sum of \$ _____, together with interest thereon from and after the date of Stabilization, as defined in Maker's Amended and Restated Operating Agreement executed in connection with the admission of the first tax credit investor into Maker, as the same may be from time to time amended (the "Operating Agreement"), at the Long Term Applicable Federal Rate, determined as of the date hereof.

The principal of this note and interest earned hereon shall be paid from the first cash flow that Maker would, but for this Note, be entitled to pay to its partners under the terms of the Operating Agreement at such time or times and in such amounts as such cash flow is permitted to be paid under the Operating Agreement. All payments shall be applied first to interest and any balance to principal. The unpaid balance of the principal amount hereof and all interest accrued thereon shall mature and be due and payable on December 31, _____ (the "Maturity Date").

Costs of Collection. Maker agrees to pay all costs of collection hereof when incurred, including reasonable attorneys' fees actually incurred, whether or not any legal action shall be instituted to enforce this Note.

Prepayment. Maker shall have the right to prepay this Note in whole or in part at any time without premium and penalty.

Default And Remedies

Events of Default. Each of the following events shall constitute an "Event of Default":

- (a) If Maker shall make any distribution to any of its Partners prior to payment in full of the principal of this Note.
- (b) If Maker shall fail to pay the unpaid balance of this Note and all unpaid interest accrued thereon on the Maturity Date.

Acceleration; Other Remedies. Upon the occurrence of an Event of Default, Lender may, at its option, without further notice or demand, declare the unpaid principal of this Note and all

interest accrued thereon at once due and payable, and pursue any and all other rights, remedies, and recourses available to Lender, or pursue any combination of the foregoing, all remedies hereunder being cumulative.

No Waiver. Failure to exercise any of the foregoing options shall not constitute a waiver of the right to exercise the same or any other option at any subsequent time in respect to any other event. The acceptance by Lender of any payment hereunder that is less than payment in full of all amounts due and payable at the time of such payment shall not constitute a waiver of the right to exercise any of the foregoing options at that time or at any subsequent time or nullify any prior exercise of any such option without the express written consent of Lender.

Miscellaneous

Waivers. (a) Maker waives presentment and demand for payment, notice of intent to accelerate maturity, notice of acceleration of maturity, protest or notice of protest and nonpayment, bringing of suit and diligence in taking any action to collect any sums owing hereunder or in proceeding against any of the rights and properties securing payment hereof. Maker agrees that the time for any payments hereunder may be extended from time to time without notice and consent to the acceptance of further security for this Note, all without in any manner affecting their liability under or with respect to this Note. No extension of time for the payment of this Note or any installment hereof shall affect the liability of Maker under this Note even though Maker is not a party to such agreement.

(b) Maker hereby waives and renounces, to the extent same may be waived and renounced, for itself, its legal representatives, successors and assigns, all rights to the benefits of any statute of limitations and any moratorium, reinstatement, marshalling, forbearance, valuation, stay, extension, redemption, appraisal, exemption and homestead now provided or which may hereafter be provided by the Constitution and the laws of the United States and of any state, both as to itself and in and to all of its property, real and personal, against the enforcement and collection of the obligations evidenced by this Note.

Limited Liability of the Maker and Its Partners. Notwithstanding anything to the contrary contained in this Note, the Lender agrees that no general partner or limited partner of the Maker shall have any liability for any obligation of Maker hereunder, and that such obligations shall be satisfied solely from the assets of maker.

Notice. All notices or other communications required or permitted to be given pursuant to this Note shall be in writing and shall be considered properly given if mailed by first-class United States mail, postage prepaid, registered or certified with return receipt requested, or by delivering same in person to the intended addressee, or by prepaid telegram, overnight delivery service, telex or telecopy. Notice so mailed shall be effective two (2) days after its deposit. Notice given in any other manner shall be effective only if and when received by the addressee. For purposes of notice, the address and telecopy number of Maker shall be the address and telecopy number listed on the final page of this Note, and Lender's address shall be the address given on the first page hereof, and Lender's telecopy number shall be _____, or at such other telecopy as designated by Lender from time to time; provided, however, that either party shall have the right to change its

address for notice hereunder to any other location within the continental United States by the giving of thirty (30) days' notice to the other party in the manner set forth hereinabove.

Governing Law. This Note shall be governed by and construed according to the laws of the State of South Carolina.

Severability. Whenever possible, each provision of this Note shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Note shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Note.

Time of the Essence. MAKER AGREES THAT TIME IS OF THE ESSENCE IN THE PERFORMANCE OF ALL OBLIGATIONS HEREUNDER.

Subordination. The indebtedness evidenced by this Note is and shall be subordinate in right of payment to the prior payment in full of all indebtedness of the Maker which is secured by any security deed or security interest on any portion of the Project or the rents, issues or profits thereof, or which arises under the Operating Agreement or any loan made by any partner of Maker pursuant thereto.
