

School District of Pickens County

Engaging Today  Empowering Tomorrow

To Whom it May Concern,

Please accept this letter on behalf of the School District of Pickens County. The district has no objection to the proposed/discussed development on Bracken Lane in Easley consisting of 54 two-bedroom apartment homes with an intended usage as a community for active adults (55+ or HFOP). Given the purpose and size of the development, the zoned schools (Crosswell Elementary, Dacusville Middle, and Easley High) that would be affected should be able to handle any possible increase in students at this current time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Josh Young'.
