This form does not constitute a permit to connect to ReWa or any sanitary sewer agency, nor is it to be used to obtain building permits from any regulatory agency. In cases where capacity appears available to serve a project, such capacity can neither be guaranteed nor reserved by this preliminary approval. **Capacity is allocated on a first come first serve basis during the subsequent ReWa Capacity Approval Process (Step 2).** Upon meeting all requirements (plan review and approval, payment of all applicable fees, etc.), ReWa will issue a separate letter for use in obtaining a SCDES Permit to Construct. The engineer shall contact the individual Satellite Sewer Agencies involved to determine their policies, procedures, and requirements. Note: Approval is valid for 24 months from the executed date of this document.
