

## Person with Disabilities and Affirmative Fair Housing Statement

### Persons with Disabilities Statement:

The owner will not give a preference based on disability type (actual or perceived) or being a client of a particular service provider (absent approval from the Authority).

Neither the owner's partners/members nor the property management company may engage in medical, therapeutic, or other activities regulated by the U.S. Centers for Medicare & Medicaid Services with respect to the residents.

The owner will -

- Expressly include reasonable accommodation in the application for tenancy
- Not ask applicants/residents for medical or other protected information unless and only to the extent legally necessary (e.g., processing reasonable accommodations requests)
- Use standard leases with the same rights available to, and responsibilities expected of, all households, including duration of tenancy (i.e., cannot be transitional)
- Ensure participation in any supportive services is entirely voluntary (not a formal or implied condition of occupancy)
