**Acknowledgement and Agreements:**

1. I certify that I have not been indicted, charged, convicted of or had a civil judgment rendered against me for a criminal offense in connection with obtaining, attempting to obtain, or performing a public transaction or contract, violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property. I further certify that I have not been debarred, suspended, proposed for debarment or suspension, declared ineligible or voluntarily excluded from any transactions or construction developments involving the use of any governmental funds, including but not limited to CDBG, RHS, Federal Home Loan Bank, HOME, National HTF, LIHTC, any state's funds, etc.
2. I certify that neither the owner nor any of its related entities or its officers, principals, shareholders or partners owes the South Carolina State Housing Finance and Development Authority ("Authority") any unpaid fees or charges.
3. I am responsible for ensuring that the proposed development consists or will consist of a qualified low-income building(s) as defined in section 42 of the Internal Revenue Code, as amended, and will satisfy all applicable requirements of federal tax law in the acquisition, rehabilitation, or construction and operation of the development to receive the Low-Income Housing Credit ("Credit" or "Credits"). I understand and agree that the development will be affirmatively marketed, and will be made available for occupancy by all persons regardless of race, national origin, religion, creed or sex, age, and handicap. I understand and agree to minimize the involuntary displacement of Low-Income Households, if applicable.
4. I am responsible for all calculations and figures relating to the determination of the eligible basis of the building. I understand and agree that the amount of the Credit is calculated in reliance upon the figures that I submit as to eligible and qualified basis. I understand that my estimates and calculations as to the amount, if any, of Credit necessary for the development to achieve financial feasibility for the Credit period and the estimates and calculations made by the Authority as to the amount, if any, of Credit necessary for the development to achieve financial feasibility for the Credit period may reach different results. In the event of any disagreement as to the appropriate amount, if any, of Credit to be reserved or allocated to the development, I agree to be bound by the results of the estimates and calculations made by the Authority.
5. I understand that the actual amount of Credit allocated may vary from the amount initially reserved due to: (a) the determination by the Authority as to the amount of Credit necessary for the financial feasibility of the development and its viability as a qualified Low-Income Housing Development; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing Credit percentage; (d) availability of the Credit.
6. I understand and agree that neither the Authority nor any of its individual directors, employees, members, officers or agents assumes any responsibility or makes any representations with respect to the feasibility or viability of the development, the availability of or the amount of the Credit, or the validity or propriety of the allocation of the Credit. Furthermore, neither the Authority nor any of its individual directors, employees, members, officers or agents makes any independent investigation as to the eligible and qualified basis and I understand and agree that any and all Credit awards or amounts are based solely on representations made by me.
7. I understand that the requirements regarding the making of applications for the Credits and the terms of any reservation or allocation are subject to change at any time by federal or State law, federal or State regulations, or Authority procedures. I understand that the Authority may not notify me as to any federal or state law or regulations promulgated or to be promulgated. I understand and agree that it is my responsibility to seek the advice of my attorney, accountant or other tax adviser to ensure present and future compliance with all laws, regulations, or procedures which may affect my development or the units contained therein.

**Acknowledgement and Agreements (2nd page):**

8. I understand that reservations of Credits are not transferable. I further understand that any change in the makeup of the owner entity (general partner(s), partnership, individuals, etc.) applying for an allocation of Credits or in the location of the development will void any application that I have made or any reservation that I may receive as a result of such application.
9. I certify that a true, exact, and complete copy of this application, including all supporting documentation enclosed herewith, has been provided to the tax attorney and tax accountant who provided the required attorney's opinions and accountant's opinions accompanying this application.
10. I understand that any changes to the development made following initial submission of an application concerning the number and type of units/buildings, the development budget, or financial arrangements may result in a withdrawal of any Credit reservation or allocation. I hereby certify that I will submit any revisions with evidence to support any modifications and obtain Authority consent prior to finalizing such modifications.
11. I understand and agree that, as a precondition to receiving an allocation of Credits, I shall meet certain conditions prior to allocation, shall pay all applicable fees, and shall impose restrictive covenants on the property in the form required by the Authority.
12. If I select to waive the Qualified Contract process, I am knowingly and voluntarily waiving the ability to request a Qualified Contract be presented to me at any time during the compliance period or extended use period.
13. I understand and agree that to the greatest extent feasible, opportunities for training and employment arising in connection with the planning and implementation of any development and contracts for work to be performed in connection with any development, including but not limited to, finance, planning, consulting, design architecture, marketing, building construction, property management or maintenance, will be made available and awarded to businesses which are owned in whole or in part by minority persons and/or women.
14. I agree to pay such monitoring fees as the Authority may determine necessary. I understand and agree that this fee may increase during the compliance period or extended use period. I understand and agree that the record keeping and record retention requirements of the Internal Revenue Service will be met and maintained in the manner prescribed by the Authority. I understand and agree that compliance requirements are detailed in the Compliance Monitoring manual, and I understand that these requirements may change and I agree to any changes that the Authority may deem necessary. I understand and agree that any and all forms or documents provided by the Authority must be used in the manner prescribed, and agree that exceptions or substitutions may not be made without the Authority's express written consent.
15. I understand and agree that my application for Credits, all attachments thereto, all correspondence relating to my application in particular or the Credit in general, Authority generated documents related to my application, and any and all information related to compliance or findings of noncompliance may be subject to a request for disclosure. I further understand and agree that my application for Credits and the attachments thereto may include taxpayer and return information as defined by the Internal Revenue Code and/or the Internal Revenue Service. I hereby expressly consent to the disclosure of such information. Furthermore, I expressly consent to the publication of my application, and all attachments thereto, on the Authority's website.
16. I understand and agree that the Authority, at its discretion, may prohibit me, the owner or any of its related entities, officers, principals, shareholders, or partners from further participation in any Program administered by the Authority, on a permanent or probationary basis. Such prohibition may include, but is not limited to, entities or representatives.
17. I understand and agree that the Authority (or a contracted party) may perform an inspection of the development location and nearby properties and a decision by the Authority to reject the application due to the presence of hazards, dangers, risks or negative characteristics that might render the site unsuitable is final and not subject to further review.

**Acknowledgement and Agreements (3rd page):**

18. I understand that if the above are determined to be false, I may be subject to immediate suspension from all Authority programs. I understand that any misrepresentations in my application or supporting documentation may result in withdrawal of Credits by the Authority, my suspension or debarment from future program participation, the suspension or debarment of any related entities or its officers, principals, shareholders or partners, and notification to the Internal Revenue Service. Additionally, in the event the Authority withdraws a reservation or allocation of Credits, I agree to execute any agreements to return Credits in accordance with federal or state law or regulation or Authority procedures in the manner and time prescribed by the Authority.

Construction Cost Addendum Certification: I certify that to the best of my knowledge all known relevant factors affecting the cost of construction have been taken into consideration in the preparation of this construction cost addendum. I have been provided a copy of the 2024 Qualified Allocation Plan and the estimated costs necessary to build the project in accordance with the Development Design Criteria have been incorporated into the addendum. I have been provided and have reviewed the plans and specifications. I have been provided and have reviewed the geotechnical reports and the estimated costs for all recommendations have been incorporated into the addendum. If applicable, I have been provided and have reviewed the asbestos and/or lead-based paint assessment reports and taken into consideration the estimated costs necessary to remediate and/or abate these materials in accordance with federal and state regulations. If applicable, I have also taken into consideration the costs necessary to build the project in accordance with the sustainable building certification selected by the project owner.

The credentials of the preparer of the construction cost addendum must be submitted with the application.
