

Southeastern Housing Preservation Inc Narrative Statement/Plan for Material Participation

Southeastern Housing Preservation, Inc. (SHPI) is an experienced affordable housing owner/operator with a long history of owning and managing successful affordable housing communities across the southeast. The experienced board members are well versed across all facets of the affordable housing industry, including but not limited to; legal, management, finance, asset management, accounting, and development. SHPI will also be a strategic partner within the inner workings of the ownership structure by connecting the best affordable housing professionals to invest in the project.
