Attention: James Sari

RE: 82 Canal Street Lofts LLC

Please be advised that Valley Public Service Authority has water and sewer service available for the above property located at 82 Canal Street, Graniteville, SC.

There are currently three taps in place at this location – the main building, a bypass meter, and a fire pit meter. Unless there are additional taps added or upgrades to line size etc., there would not be any impact or tap fees due. There would be a \$15 administrative fee for each of the three meters and a water service deposit of \$75 each for the fire line and bypass meter. Additionally there would be a \$100 deposit for the main building (\$75 water deposit plus \$25 sewer deposit)

Should you have any questions or need any additional information, please call me at (803) 593-2033.

Sincerely,

Calvin Smith
General Manager
