The Applicant understands and agrees the Authority has the right to conduct its own independent review and analysis of the application and all documents submitted with the application and may, in its sole discretion, require additional information or make adjustments in required documentation.

The Applicant certifies it is in compliance with all Authority programs in which it participates or has participated. Neither the Applicant nor any of its officers, principals, advisors, consultants, or any other member of its development team is presently debarred or within the past five years has been debarred from participation in any federal program (including but not limited to: the U.S. Housing and Urban Development, the U.S. Internal Revenue Service and the U.S. Department of Agriculture) or any Authority program. The Applicant agrees to abide by all South Carolina Housing Trust Fund Program rules and regulations. The Applicant understands and agrees the Authority may suspend or debar the applicant and its principals from participation in the Housing Trust Fund or all Authority programs when the Authority determines the Applicant has expended Housing Trust Fund monies inappropriately and/or has acted in a manner that the Authority determines warrants suspension or debarment. If the Authority has sufficient reason to believe an Applicant has violated federal, state, or local laws, the Authority may request the assistance of law enforcement. The Authority may assist law enforcement personnel in completing their investigation and with the prosecution of any criminal acts. The Authority may also seek any available civil remedies in instances where there has been a misappropriation of Housing Trust Fund award proceeds.

The failure to abide by the procedures contained in the Housing Trust Fund Manuals may result in the Authority declining to accept an application. Further, the failure to abide by the program requirements will result in the disqualification of the Applicant and all other persons or organizations involved with the Applicant from further Housing Trust Fund participation. If proceeds subject to recapture are not repaid when requested, the mortgage will be foreclosed where notes and mortgages are used. When restrictive covenants are used, recapture may occur as defined within the Restrictive Covenants document.
