BABA FORM 4 - AIA G702 Certification Addendum

Build America, Buy America (BABA)

PURPOSE: This "AIA G702 Certification Addendum" is used to certify that, as required by federal law, project components listed in the AIA G702 Form(s) attached meet the requirements of the Build America, Buy America Act, AKA the Buy America Program (BAP). Attach this form to all AIA G702 Forms used for qualifying HUD Projects

REQUIREMENTS: The Build America, Buy America Act (BABA) requires that all iron, steel, manufactured products, and construction materials used for federally funded infrastructure projects are produced in the United States, unless otherwise exempt or subject to an approved waiver. For projects subject to BABA the following requirements apply:

- All the iron and steel products used in the project were manufactured, from initial melting through application of coatings, in the United States.
- All construction materials were manufactured in the United States.
- The final product of all manufactured products were manufactured in the United States **AND** at least 55% of the cost of the product came from components that were mined, produced, or manufactured in the United States.

For more information please see the Build America, Buy America Act (BABA), 41 USC 8301, HUD's Notice, "Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provision as Applied to recipients of HUD Federal Financial Assistance" (88 FR 17001), and SC Housing's Build America, Buy America Policy.

CERTIFICATION: I hereby certify the materials installed pursuant to the attached Application and Certification for Payment Document AIA G702 meet the requirements of the Build America, Buy America Act, accompanying guidance, and SC Housing's Materials Certification Form 2. Responsible Contractors and any other person or entity signing this certification agree to provide and maintain documentation verifying the material meets all requirements of BABA. I understand that any falsification, misrepresentation, or omission of information may result in federal and state criminal and civil actions.
